Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Blue Hope app for Autism

In autism, there is a metaphor known as a window of opportunity. During this window period, every intervention you do for your child would reap untold benefits later on. That window of time starts closing from the moment you know your child is autistic and unfortunately, you can delay, but time won't.
