The video stream won't load, it's just a spinning wheel. If you have purchased a video match pass and the stream is failing to load, there are a few steps you can run through yourself. 1. Make sure you're not running an ad-blocker. Some ad-blockers ...

The video stream won't load, it's just a spinning wheel ...

It's just a normal resistor. It's called a load resistor because it is there to add a load to the circuit. There is an implication that it will be dissipating a reasonable amount of power (otherwise it wouldn't be much of a load) but this isn't a requirement. e.g. early linear regulators required a minimum load to ensure voltage regulation, you would often add a small load resistor to ensure ...
