Operations Management, 7th ed - businesstitles.com
Operations management is important, it is exciting, and it is challenging. It is concerned with creating the products and services upon which we all depend and creating products and services is the very reason for any organization's existence, whether that organization be large or small, manufacturing or service, for profit or not for profit.

Operations Management by Nigel Slack - Goodreads
designing operations, planning and controlling operations, and improving operations. 1.2 Exercises/discussion points There are many cases and exercises which one could use to introduce operations management.
