Critical Race Theory: An Introduction, as the title suggests, is intended to be a primer. Critical Race Theory (CRT), "...considers many of the same issues that conventional civil rights and ethnic studies discourses take up, but places them in a broader perspective that includes economics, history, context, group- and self-interest, and even ...

Critical Race Theory: An Introduction, Second Edition ...

According to the functionalist perspective of sociology, each aspect of society is interdependent and contributes to society's stability and functioning as a whole. For example, the government provides education for the children of the family, which in turn pays taxes on which the state depends to keep itself running.

What is the functionalist perspective in sociology?
