THIS LITTLE SCIENTIST is a great board book which features a scientist plus a cute rhyming phrase about their work on the left and then a depiction of them with their relevant work and a longer description about them on the right. The book features 10 scientists (6 women) with many more shown on the last couple pages in brief mentions.

## Read Book This Little Scientist A Discovery Primer

When a scientist makes a discovery, at that moment, it belongs to the scientist and no one else. However, while this private eureka moment is a thrilling experience, exclusive ownership of the discovery is of little value, as it neither advances the scientist's reputation nor serves science as a whole.

Curious kids turn into junior scientists with these preschool science experiments and beyond! This collection of early elementary, kindergarten, and preschool science activities has brought us such joy in learning over the past 5 years! At the age of 3 (he's 10 now), my son experimented with his first baking soda and vinegar reaction experiment.
