The amount of information given in this app is wonderful. Location of a.t.m's, money exchange, free WiFi, and closest stations is great. Travel route are better than the app that my native japanese friend has, with multiple routes to choose from and distinct JR pass routes. Estimation on how much non JR trains cost and taxi travel is spot on.

Japan Travel - route, map, JR on the App Store

The specificity of the railway network resides mainly in the number of companies operating on it. Of course, the train system is different from the subway, but the subway itself is operated by several different companies. The train system is also unique and is composed of both JR lines (Japan Rail, the main rail company in Japan covered by the Japan Rail Pass) and private lines.
